Amy's Annual Cost

\$44,890.00

Hours that Amy is available for company work

52 weeks/year X 40 hours/week = 2080 hours

6 holidays
10 vacation
6 sick/personal
2 training days
24 days – non project paid time

****Subtract an estimated 2 hours from the 47 remaining work weeks for miscellaneous administrative meetings, problem-solving, prep time, etc. This reduces available production time by another 94 hours.**

1,794
Available working hours

\$44,890.00
Amy's annual cost

Amy's fully-burdened cost: \$25.02 per production hour

OTHER RISKS

It is important to provide you church with a checks and balances to make sure that your financiers are being handled accurately and ethically. Some times when churches volunteers or hire from their congregation it can unintentionally leave that individual to give into temptation when handling funds. Also when having to confront a fellow church member about mistakes or issues with the financiers you may have broken relationship or hurt feelings between servants of Christ. Hiring Thrive will alleviate this sensitive issues we are professionals and experts at handling all aspects of your accounting needs.

Hiring Thrive

Thrive can save you over 80% or more on your total accounting budget. For our average client, books are completed for less than \$300 per month.

80%
